# Financial Year 2021 - 2022 in Review.

While the end of a financial year is a chance to look back on the past 12 months, it's also an opportunity to predict what the next period holds for the Noosa property market.

“

*Amid an unusual year, Reed & Co. managed to deliver our highest volume of sales ever, marking our most successful year as a business.*

Adrian Reed

We worked hard to maintain connections between buyers and sellers in a time that threw curveballs at every turn. A total of 95 properties changed hands for more than \$236,000,000 in sales.

It's clear now that the peak energy in our core markets was Spring of 2021 where we experienced the combined effects of the highest price and volume. Since then, we have seen a slight disconnect between seller expectations and buyer enthusiasm which resulted in a significant decline in the volume of sales. The first half of 2022 brought clarity and confirmation that the market was in for some change. While questions remain about what's next, there are clear themes now driving momentum.

In our core Noosa markets, current stock levels remain reduced to an extent that our clearance rates at auction remain high as almost all of the properties that we take to auction are selling under the hammer or soon after auction. At the moment wherever

we're seeing reduced urgency from buyers, we're also seeing fewer homes on the market, that counterbalance is sustaining price levels. This could be a different environment if stock levels shot up along with less competition from buyers.

“

*We're predicting that this low stock level market condition will continue into September, when sellers that have been planning to make a move launch into spring campaigns.*

Adrian Reed

Our tactical marketing campaigns are still driving foot traffic to Reed & Co. homes, continually getting over 20 buyers through properties on launch weekends, on par with what we see in periods of higher demand. In particular, new or completely renovated homes are peaking the interest of the market. With the increased costs of building and renovating buyers are appreciating the value of high-quality construction and homes that are on trend.

Preparation and presentation have never been more important to ensure that your property is standing out.

Noosa's market has matured beautifully, it's grown from being a relatively volatile market 10 to 15 years ago, to a highly desirable lifestyle market with a strong base of permanent residents underpinning growth. The underlying

drivers that have been supporting a buoyant market over that last 5 years have been tree-changers and sea-changers, positive migration, and holiday home buyers. Since the pandemic, we now have to add in financially capable families moving away from densely populated urban areas to the mix. Couple that with prestige holiday home buyers and you have one of the strongest and most resilient markets in the country.

For the Financial Year, the wider figures tell us that Noosa Regional house prices finished up 22.8% (Core Logic), despite rising interest rates, an election and generally cooling market conditions. The bulk of the growth and momentum was felt through the first half of the year, that's now being offset by some more recent month's showing accelerating decline. We can see that the median house price in Noosa Heads grew by 25.8%, while neighbouring Sunshine Beach, which shares the Noosa Heads postcode, increased by 14.2%. Noosaville, which includes Noosa Waters, has also experienced very strong performance jumping 17.3%. The median price for a house in Noosa Heads is now \$2,310,000, while Sunshine Beach is at a staggering \$2,730,000, Noosaville is close behind at \$1,910,000.

2022 also saw the welcome return of our Charity Gala Dinner in collaboration with the Loyal and Humpty Dumpty Foundations. We have now along with our generous community raised over \$649,000 purchasing over 60 pieces of urgently needed lifesaving paediatric medical equipment for our local Noosa and regional hospitals in Queensland.

# Tewantin

As we now head into the second half of 2022, Tewantin continues to be the affordable choice for families and new arrivals to the area. Tewantin still offers affordability compared to the neighbouring suburbs, Noosaville and Noosa Heads. Possessing such features as parks, sporting fields, schools and a relaxed country vibe that makes Tewantin a popular choice amongst buyers.

A-grade positions continue to achieve sale figures in the early to mid \$1,000,000 range.

“

*The trend continues amongst buyers to secure property and add value, renovations, extensions and complete knock down and rebuild.*

Mark Hodgkinson

When you combine value for money, the proximity to the Tewantin village and the Noosa River precinct, the sale of these homes has helped to set the benchmark for land value in the area. The number of sales in the last 12 months has declined 22.7% down to 249 from 310 for the same 12-month period in the previous year. On the upside there has been an increase in median value, up 26.3% to \$1,090,000 from \$989,000 the previous year.

**Forward predictions:** With the everchanging economic landscape, inflation and interest rate rises, there remains an element of uncertainty as to what exactly the predicted forecast for Tewantin may be. With the number of days on market down, percentage of available properties for sale down and median sale value remaining strong, builds confidence in the Tewantin property market for a good long-term investment.

# Reed & Community Charity Gala

---

“

*At Reed & Co. Estate Agents, we pride ourselves on our commitment to our community; this drive is at the core of everything we do.*

Adrian Reed

Since opening in 2018, Reed & Co. in collaboration with the LOYAL Foundation, the Humpty Dumpty Foundation, and the Noosa community, together have now raised over \$647,000 to donate over 60 pieces of life-saving paediatric equipment for regional hospitals around Australia.

Loyal Foundation Founder Anthony Bell OAM said he supports the Humpty Dumpty Foundation because every time a piece of medical equipment is donated through the foundation, 100 cents of the dollar goes to

delivering that specific piece of equipment to the hospital or health service which has an urgent need for it - providing an immediate, real and tangible outcome.

Reed & Co. owner and founder Adrian Reed said the Reed & Co. Charity Gala is about making a positive impact, helping make a difference and be the change that could ultimately save a child's life.

“Now more than ever, hospitals and health services need our help, and it's our collaboration with the Loyal Foundation and the Humpty Dumpty Foundation that help make this possible. It is tough, but children don't stop getting sick, they don't stop going to hospital and tragically they don't stop dying.”

“Our legacy will be our generosity. A lot of generous people from our community have helped make a difference; I would like to thank our guests for their ongoing support

all images by Dave Gleeson

and generosity on the night. Why we do it? Because it saves lives. If we don't do it, nobody does it. If we don't do it, the hospitals will go without. A special mention goes out to all of the sponsors; it's with their support that has helped make the night a success".

The company's annual charity gala was held on Saturday, 25th June, at the Sofitel Noosa Pacific. An invitation-only event, was attended by 150 guests, including some of Australia's greatest sporting stars, Phil Kearns and Michael Clarke, and Humpty Dumpty Foundation Founder and Executive Chairman Paul Francis OAM.

The 2022 event raised over \$210,000 to donate vital paediatric medical equipment. Dr. Karl van de Merwe, of Noosa Hospital, said on the night, everything that is available to be donated is critical. It helps frontline hospital staff and makes a real difference to hospitals and healthcare services across Australia.

"These donations make the hardest part of our job a little bit easier, and more importantly, they give children the best chance possible. Items like the Giraffe Warmer, a \$38,480 piece of equipment, are lifesaving and an all-in-one resus bed for very small babies."

Thanks to Michael Clarke and Cam Stewart, husband of Noosa Mayor Clare Stewart, who kindly donated the Giraffe Warmer, the ED team of the Noosa Hospital now has the possibility to warm and oxygenate unexpected births or small infants.

Humpty Dumpty Foundation Founder and Executive Chairman Paul Francis OAM said "It is only with the support of generous donors that the Humpty Dumpty Foundation can help frontline staff and make a real difference to hospitals and healthcare services across Australia. Against the backdrop of incredibly tight health budgets, it is more important than ever we continue our critical work of providing essential medical equipment to hospitals in need right across the country."
