Co-working

3/3 Gibson Road, Noosaville

co-working

(noun)

The use of an office or other working environment by people who are self-employed or working for different employers, typically so as to share equipment, ideas, and knowledge.

“the whole idea of co-working is to bring bright, creative people together and let the ideas collide”

Definition from Oxford Languages

What Defines Us

Considered Design

Our spaces have been designed with meticulous attention to detail and the belief that good design is essential to improving the work-life integration of our members.

Community

Community in the workplace is the foundation for success. From the time we opened our doors, our primary objective has always been to support our members and the community they spend their days with.

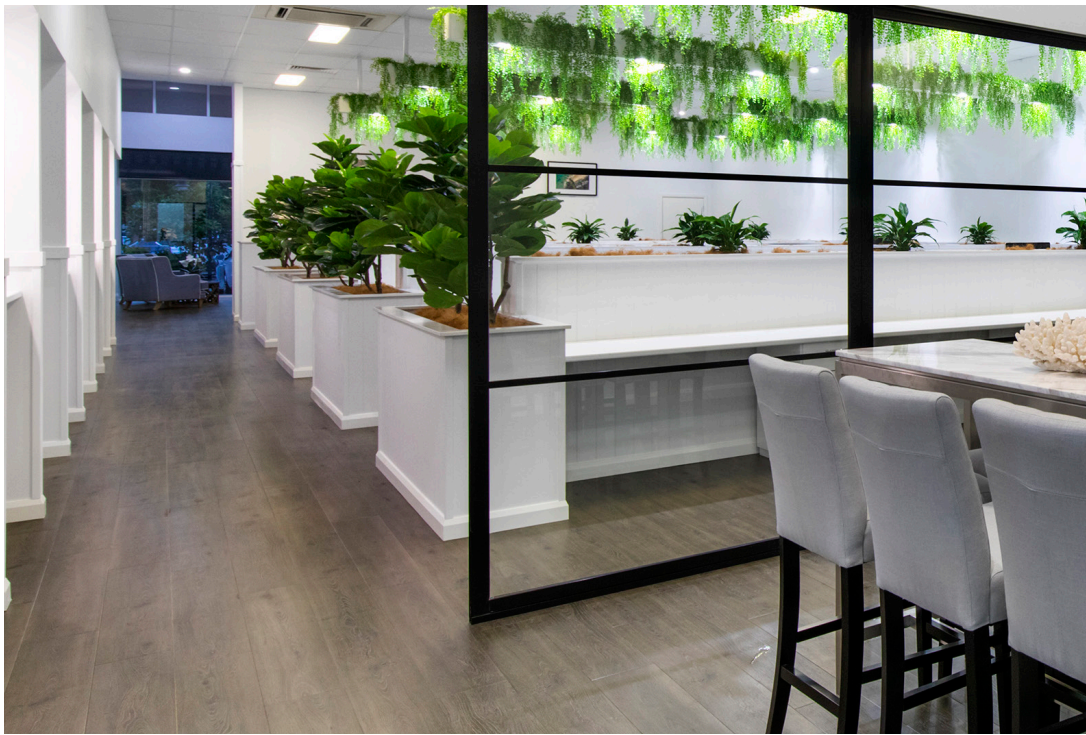

Collaboration

We collaborate with world-class partners to ensure we're able to deliver a complete end to end service. Our culture of collaboration is possibly what sets us apart from the rest.

Our Network

We are a dynamic community that supports innovation, collaboration and entrepreneurship. We provide a cutting-edge space for entrepreneurs, specialised industry leaders and busy professionals. Our goal is to create the ultimate incubator where ideas become a reality.
